

How You Can Support Us

In the past 2 years, 60 of our students were accepted into medical, dental, osteopathic and podiatry schools, and 47 received their M.D.'s. We are increasing this number through the availability of classes, research assignments, supplemental instruction and other support programs, and internships for our students.

The following are a few options for your support.
We welcome your assistance in any program of your choice.

1. Awards funds to the following scholarships:
 - MCAT/DAT Student Scholarship
 - Cancer Institute of New Jersey Summer Housing Fund
 - Success in the Sciences Student Scholarship
2. Award funds to ODASIS to Academic Excellence Funds for discretionary support of students and programs.
3. Award funds to ODASIS programs, which include:

ACADEMIC YEAR PROGRAMS

- Success In the Sciences/Project Beck (Special Course Sections/Advising/Tutoring/Mentoring)
- Access-Med Program
- MCAT Preparation Program
- Field trips to medical, dental, osteopathic and other allied health professions schools

SUMMER PROGRAMS

- ODASIS Summer Supplemental Instruction (ex. Chemistry and Biology)
- Summer Preparation Program in Chemistry and Calculus (incoming 1st year students)
